RE: Construction Permit for that portion of the Emergency Fire Road along the east property line of the site that is proposed on WSDOT ROW. Permit application submitted to you by John Jack on March 7, 2005.

John:

Thank you for your assistance with this urgent matter. Per your request enclosed and under separate cover are 4 sets of the geotech report and the 100% complete construction documents detailing the January 26, 2005 MOU you signed along with my client.

Sincerely, Tony
